Bold Messages for a Free Society

Step into the world of libertarian activism with the Libertarian Party Radical Caucus's Colson Mill Preview button guide. This edition is brimming with over 400 powerful messages, each crafted to challenge the status quo and ignite discussions about freedom, responsibility, and the role of government.

Compelling Messaging for All Possible Audiences

Such as:

ABOLISH THE TSA: Take a stand for privacy and dignity in travel.

WAGE PEACE: Advocate for non-interventionism and peace.

END THE FED: Call for an end to central banking and a return to sound money.

YOUR LIFE MATTERS: Affirm the importance of individual rights and personal sovereignty.

TAXATION IS THEFT: Question the morality of compulsory taxation.

FREE ASSANGE: Support transparency and the freedom of information.

ARM THE DRAG QUEENS: Defend the right to self-defense for all individuals.

SELL THE PILL FROM A VENDING

MACHINE: Promote healthcare freedom and accessibility.

Inside this Guide

Tabling Insights: Practical tips on securing a spot, setting up an inviting booth, and engaging effectively with event attendees to spread the message of liberty.

Buttonmaking Options: Guidance to help you choose the right equipment for your needs, based on the LPRC's past experience.

Size Selection: Choose from five versatile button size categories to make your effort stand out.

Printing and Cutting Made Clear: Our intuitive sheet features are described along with notes for printing accuracy.

Message Catalog: All of our thought-provoking button messages, each with a visual example and notes to help you help answer questions at an event or even put together a custom set of buttons.

Take Action

Don't miss the opportunity to be part of the conversation. Use this guide to select the perfect button for your next event, protest, or everyday wear. And remember, for additional resources, including digital assets and button sheets, visit our LPRC Resource Kit online.

Join us in the movement for liberty—one button at a time.
